

Town Of Lakeside,

April 16, 2025

Road Survey;

Called to order @ 10:00 a.m. by Chairman Scott Luostari.

Attendance; Road Foreman Mark Saari, Supervisor Mary Peterson, Supervisor Gerald Tudor, Todd Bitner.

Road Survey;

Town Shop; Gerald commented on taking the wing off the grader and if Mark had help with that. Gerald also mentioned the town should look into purchasing a telescoping limbing saw. There was no immediate concerns on equipment or other needs in the shop.

Pavilion Roof needs replacing. Repairs to the support structure were done a couple of years ago. The board will get bids on roof replacement with steel roofing. Playground equipment needs work and boards need replacing.

Old culverts and scrap need to be removed. 4 culverts on hand with 2 possible going to be installed. Mark will order more culverts to have on hand.

Old Shop; Gerald suggested getting rid of old town pickup and getting a truck the town can use. A mini dump was suggested. Mark suggested the town should sell the 20' trailer as it is not being used also the old fire department compressor. Wisconsin Surplus and Market Place were suggested. Looked at old grader the board will see if the town can get something for it.

Sleepy Valley Loop; cut ditch on east side of river and limb trees on west side. General maintenance.

Cemetery; blown down trees need to be cleaned up. Cemetery to be added to monthly agenda to review fees.

Berglund Road; grading when road surface dries up, and gravel needed in spots.

Barthlomew Road; trees have been limbed by town last summer. Trees growing in ditch need to be removed logger was to be there last fall but never made it.

Middle River Road; road in need of ditching where logging has taken place. Mark suggested a cross culvert be installed at the corner Schiff road board agreed that should be done. General maintenance needed. Signs are in bad condition and need replacing. Signage @ end of road for garbage removal along shore and beach.

Schiff Road; 8' culvert installed about ¼ mile on south side of road. No permit!

Edstrom Road; graveled last year (2024), turn around for town is at the end of road in the driveway.

Amnicon River Road; ditching needed on east side ½ mile down on north side of culvert. General maintenance needed. Road needs work with shoulder disc. Gravel needed from 1st corner to lake, this to be completed this year. Culverts at private driveways 2352 nd 2328 need replacing as they are causing water issues on town road. Slide area on access to lake continues.

Sage Road; gravel needed form 2 new driveways on west side of hill to end of roadway (town turn around). 3" minus to be applied. General maintenance.

Engdahl Road; graveled last year. General maintenance.

Metraud Road; general maintenance, a couple of loads of gravel needed on south end of road.

Merila Road; general maintenance and some brushing needed.

Pukema Road; Gerald to ask Ed Grube about using brusher on tracked skid steer for brush removal on corner by river. Move road back 20' and remove brush and trees.

River Road West; general maintenance, ditching and gravel on hillside. Corner of Millview and River Road West the culvert is failing and needs replacing.

Millview Road; general maintenance and gravel on slope from Hwy 13 north.

Camp Road East and West; Shoulder disc needed as far as town can gravel. Enbridge pipeline crossing has funds available for that area for gravel and grading. Beaver issues continue. General maintenance. West needs gravel and grading.

Walsh Road; general maintenance needed from both ends of road.

River Road West (windmill); town to get a couple of loads on regrind for blacktop areas and dump at town hall for filling holes this year.

Hanson Road; Scott to contact county and see when the pulverizer is in the area to grind blacktop.

Old 13; general maintenance.

22 Rd South; shoulder disc from Hwy 13 to town line. General maintenance. 22nd road north needed general maintenance.

Kapsalis road; general maintenance.

Anderson Road; general maintenance to top of hill. 3" minus from top of hill to end of road.

Han Hanson Road; graveled and new culvert last year.

Wentworth Road; general maintenance.

Potter Road; general maintenance.

Moonshine Road; general maintenance, and ditching by Lehrs culvert.

Bardon Creek Road; slide area at Hwy P intersection needs ditching and cutting of shoulders. General maintenance.

Pine Central Road; general maintenance.

Peterson Road; general maintenance. Private driveway culvert ¼ mile north of Hwy 13 needs replacing.

Devries Road; general maintenance.

Palm Road; general maintenance.

Halkett Road; general maintenance. West side of river needs shoulders cut.

Poplar River Road; general maintenance. Peters driveway no culvert. Replace culvert just north of town hall.

Joki Road, Joki Road, and Karrto Road; general maintenance.

Meeting Hall; refrigerators are not working and need replacing.
