### SPECIAL TOWN MEETING NOTICE

The Town of Lakeside will hold a Special Town Meeting on August 15, 2009 in conjunction with the Annual Town Picnic. The time will be from 1:00 until 4:00 in the afternoon and the location is the Town Hall.

We ask the residents of Lakeside to view and make comments/suggestion concerning the Land Use Report as compiled by the committee. This report will be presented to Steve Rannenberg, Douglas County Zoning and Land Use office. The report is due September of 2009.

We ask that residents make the time to review this report. This resident input is a vital aspect of the entire project.

The committee has worked for several months to formulate this plan. We feel the Annual Picnic is the best time to use as a Special Town Meeting forum with the purpose of reviewing this important document. August 15, from 1-4 in the afternoon, at the Town Hall, this document will be available for review. Committee members will be present to answer questions and collect comments to be inserted in the Land Use Document.

The Board will make an appropriate resolution at the September Board Meeting based on the comments submitted. Please use this opportunity to help determine the future land use in the Town of Lakeside.

Pearl Swanstrom, Clerk
